DATE: April 26, 1988  
TO: Distribution List  
FROM: Jim Frank, RPMS *JFF*  
SUBJECT: L1630200005/St. Clair County  
Sauget Sites/Sauget  
Superfund/General Correspondence

Industries in Sauget have inquired upon a time in which to conduct an "Informational Review" concerning Ecology & Environment's recently completed Site Investigation at Sauget/Cahokia, Illinois.

We are tentatively viewing the week of June 6-10 as a timeframe in which to introduce our study to the industries at Sauget City Hall. Please inform me as of May 1 of conflicting meetings on your schedules in order to find a date that a meeting maybe set up.
